  - SPOUSE/COHABITING PARTNER** – An adult who resides full-time at the same address as the main member
  - FAMILY MEMBERSHIP** - Being a person who, at the date of election as a member of LYC, shall have attained the age of 18 years together with their cohabiting partner and any child or children of the family who are under the age of 16 or are under the age of 21 if in full-time education.

  - YOUNG ADULT MEMBERSHIP** - Being a person who, at the date of election as a member of LYC, is over the age of 18 years and under the age of 21 years, and is in full-time education.
3. **Member Details:**

Our preferred method of contact with our members is by email. Please provide us with an email address for each adult member so that we can keep you updated with any club news. Your email address will not be shared with any 3<sup>rd</sup> party. Our Honorary Secretary would also like to email you with information on sailing events which we feel may be of interest to you. If you prefer not to have this information, please tick the opt-out box. If you do not want to receive any emails from LYC, do not include any email addresses on this form, but please be aware that postal only communications will result in you being sent only essential information.
4. **Useful skills, trades & experience**

If you have any qualifications or experience which you feel may be of benefit to the club, please list them on the form. This could include anything from RYA training qualifications, First Aid, useful trades and certification: Gas Safe, NICEIC/Electrical, General Building, Plant and Equipment Maintenance to Entertainment, Culinary and Cleaning skills. We would be very appreciative if you would be willing to offer these services to the club as part of your duties.
5. **Club Duties**

All members are expected to help with the maintenance and running of the club by attending work parties and undertaking race control and safety duties for sailing events, including Safety Boat Helm and Crew (according to individual abilities and skills and what people would prefer to do).
6. **Boat Details, if applicable:**

If you already own a boat or boats, and are intending to use them at the club, please provide details and tick to indicate if you would like to apply for storage within the club compound. A separate Storage Application form and fees apply. Similarly, please indicate if you wish to store an empty road trailer in the compound as storage fees will also apply. For storage in the harbour, a separate application needs to be made to the harbour master and comes under the control of the Environment Agency who own the harbour.
7. **Annual Membership Fees:**

Once your application for membership has been approved, a payment request will be issued to you (usually by email) and this will provide you with all the relevant payment details. Our preferred method of payment is online bank transfer. Online payments must include the reference number as shown on the payment request, otherwise we may not be able to reconcile your payment. Payment may also be made by cheque, payable to Lydney Yacht Club and posted to the membership secretary. **A £20 joining fee is payable by all new members.**
8. **Approval Process:**

Once your application is received, it will be displayed on the Club's notice board for 7 days (personal contact details are not displayed) to give an opportunity for current members to see and pass any comments to the committee for discussion. Your application is then reviewed at the next committee meeting. In the meantime, we would encourage you to join in with sailing and social activities as a guest, to enable you to get to know the club and for us to get to know you.
